Dear Friends,

November 2016

We hope this finds you well. As you know, our Annual Fund Appeal is our major fundraiser where we ask all members of our LISG family, parents (past and present), alumni, staff, business partners and friends to make a contribution. It is our hope that this year we can achieve 100% participation.

All monies go directly to the school. A robust fund with 100% participation will help to cover operational costs and build a stronger foundation for more offerings to our children, which include expanding our current technology plan, adding labs, and enhancing the curriculum.

We appreciate the generosity you have shown us over the years and ask that you give what you can. Please maximize your gift by utilizing your company's matching gifts program. If you're not sure whether your employer offers such a program, we will be happy to help you find out. Our business office is available to help you with any paperwork.

Please be part of this important campaign, and show your support to our school community.

Many thanks in advance for your continued support,

Ralph Haebich
