SUBJECT: WELLNESS POLICY

Foods and Beverages other than those Provided by the School Lunch Program

The district shall adhere to all applicable federal, state and county health code standards and regulations.

- All foods brought into school buildings or school functions shall be commercially prepared in compliance with §760-1315 of the Suffolk County Sanitary Code.
- Home prepared foods are prohibited at events sponsored by the school district, except for personal consumption.
- Lunches prepared at home for consumption by the student are permitted.

Other School-Based Activities

The district may implement other appropriate programs that help create a school environment that conveys consistent wellness messages and is conducive to healthy eating and physical activity. Such activities may include, but are not limited to, health forums or fairs, health newsletters, parent outreach, employee health and wellness, limiting the use of food as a reward, and food marketing and advertising in school.
