Dear Families:

RE: ONLINE LEARNING

Please know that in the event of an extended school closing, LISG is prepared to work remotely. Please read the contingency plan below and sign the acknowledgement or respond to this email stating you are aware that the online program will be required.

Student Etiquette: The Lower School Schedule

1. Dr. Geyer will send out a start date. At that time, you can check the portals of any teachers your child has to see which platforms the teacher will use.
2. Specials: (computer, gym, music, and art). Teachers may send you an assignment via email.

For items 3-6 below, the teachers will use the app Classkick OR a video to teach the children the “mini-lesson” (about 15 minutes) for the 40 minute block. Then, the children can work independently.

3. **School begins at 9 am: Reading class.**
4. **School resumes at 10 am: Math class**
5. **School resumes at 11:30 am: Social Studies class**
6. **School resumes at 12:30 pm: Writing Workshop.**

We are all a very connected society, so online platforms are easy. Please know that you can contact the teacher via email for any questions you may have.

Sincerely,

Pat Geyer, Head of School

YES! I, the parent(s) of _____, have read the information regarding Online Learning should the students of LISG need to work remotely.
