*Dear Parents:*

*We are pleased to offer you the opportunity to purchase your child's school supplies for September prepackaged through EPI. This year you will have the option to purchase the supplies on-line if you choose. Please see the flyer for the instructions and school ID code for on-line ordering. You can also send in your payment to the school along with the flyer.*

*On the back of the order form is a complete list of the school supplies. While additional items (such as a smock for art class) will be required, these represent the "bulk" of the supplies needed. If you decide to order the prepacked supplies, they will be waiting in the classroom on the first day of school with printed name labels for identification.*

*We hope that you will find this to be a convenient way for you to purchase your school supplies for September. In our own price comparisons, we have found EPI to be very competitive with major discount supply stores.*

***Orders are due by June 18, 2021.*** *If you have any questions, please contact Mrs. Ziegler.*

*Sincerely,*

*Colleen Ziegler,  
Dean of Students*
