Dear Families:

January 20, 2022

Welcome to 2022! I wish everyone a healthy, calm year. This letter begins with gratitude to the very dedicated staff I work with daily, and it is because of their collective efficacy and our parent partnership, along with a supportive Board, that LISG continues to succeed, even in the most challenging times.

We entered the 2021-2022 school year confident in our belief that COVID would not impact our accelerated academics. You made the right choice when you stayed with us, and we look forward to our continued partnership.

Your decision to return to LISG is an investment in your child's future, and I am excited to welcome you back for the 2022-2023 school year. Schools continue to face challenges and students have academic slides, so we remained steadfast in our premiere education.

I invite you to re-enroll and continue the LISG journey. Please know that we have limited space in the Lower and Upper School, so secure your child's spot for the upcoming school year as soon as possible, as reenrollment is paramount.

Attached you will find next year's tuition schedule and 2022/2023 school calendar. As you well know, the cost of living has gone up over 6% in recent months, and LISG is seeing increases across the board. Additionally, we need to create a more competitive salary scale to retain our finest teachers. Therefore, to limit the impact of these cost increases, the Board adopted an increase of 3%.

Tuition Assistance applications will be available from the school office in February. The Tuition Assistance Program is designed for families truly in financial need. Detailed records and tax returns are required as part of the application process.

To facilitate the re-enrollment process, please complete the form at the bottom of this page and return it to the school with a **non-refundable deposit** of \$2,000.00 for each child. This will reserve your child's place in his/her class.

Please respond by **February 7, 2022**, to enable us to plan accordingly. After this date, we will begin to accept new students, which may cause classes to fill up quickly. Contracts will be sent home in May.

If you have any questions, please feel free to call me.

Sincerely,

Pat Geyer,
Head of School
